

TCS/SC/1912223
August 24, 2026

TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Mr. Bharanidharan B** was employed full time with Tata Consultancy Services Limited (TCSL) from **February 17, 2021 to January 30, 2023**.

While leaving our organization, he was designated as an **Associate Consultant**.

During his employment with Tata Consultancy Services Ltd, he was responsible for the following: -

1. Led a development team with technical direction, mentoring and oversight across the full delivery lifecycle, ensuring timely milestone completion and quality standards.
2. Designed and built enterprise applications using Java, Spring Boot and microservices architecture, including a digitized Business Continuity Management solution for automating planning processes.
3. Established technical foundations by defining coding patterns, standards, database schemas and data persistence layers for the team to follow consistently.
4. Translated business requirements into technical solutions by coordinating with product owners, gathering requirements and architecting RESTful APIs and deployment pipelines.
5. Owned quality and delivery through code reviews, unit testing, static analysis, agile ceremonies (standups, planning, retros) and managed production deployments and releases.

He utilized skills including: -

1. Java, Spring, Spring Boot, Microservices, Angular and RESTful API development.
2. Jenkins CI/CD, Postgres, JBoss EAP, SonarQube, GIT and Azure cloud deployment.

(Please note: - Skills and responsibilities specified are as declared by the employee and approved by the last supervisor. This information is to the best of our knowledge and without prejudice).

We wish him all the best for his future endeavors.

For Tata Consultancy Services Limited.

Mr. K Sudeep
Vice President & Global Head – Human Resources
